No Ad? No Problem!

While professionally created ads are acceptable, cameraready artwork is not required. In fact, we would happily create an ad for you that will attract customers. You may provide logos, pictures (digital) and a copy of what your ad should feature. We will custom design a "business building" ad just for you! A production fee of \$45 includes an hour of design time. Additional work and extensive creation will be quoted prior to production. All copy is subject to approval of Metro Woman. All ads remain the property of Metro Woman and may be reproduced with permission from Metro Woman.
